

COMMUNITY ADVISORY COMMITTEE ACHIEVEMENTS 2019

Key topics, discussions and contributions of the Community Advisory Committee over 2019 were as follows:

- Supported Wentworth Healthcare in its intention to appoint a Director with Consumer Experience. The Director who has been appointed is Ms Heather Nesbitt.
- Hosted a video presentation from the Australian Digital Health Agency on the digital future of Health Care in Australia and provided feedback.
- The Committee provided feedback on the first phase of the WHL Health Literacy Project over the course of a number of meetings including input into the key themes, tools and resources of Health Literacy. Further feedback was invited in the completion of the first phase.
- Feedback was provided on the approach to the proposed Consumer Engagement Model for the Joint Regional Mental Health and Suicide Prevention Plan.
- The Committee was invited to provide feedback on the development of the Wentworth Health Care Engagement Strategy.
- A presentation was made, and feedback invited, by the NBMLHD on the NBMLHD Community Based Services Plan, which will focus on services provided off hospital campus such as Community Health Centres, GP rooms, Aged Care Homes. Discussion was held on Patient Centred Care and how to engage with the community.
