

TOUCHPOINTS

We all have a role to play in suicide prevention.

Join us for this FREE community TouchPoints workshop

Learn how to confidently recognise and respond to suicide.

On completion of this workshop, you can expect to have:

- attained a deeper understanding and appreciation of the complexity of suicide.
- increased awareness of warning signs and invitations for help.
- increased confidence & capacity to engage with people in crises.
- improved confidence to connect a person at risk of suicide with support.
- an appreciation of the importance of self-care and practical tools to implement.
- 'debunked' commonly held suicide myths with facts and lived experience.
- practical ways in which to support someone bereaved through suicide.
- knowledge on how best to support someone's return to the workplace.

Workshop details:

For those who live and/or reside in the Nepean Blue Mountains Primary Health Network area – [View map here](#)
