

Blue Mountains | Hawkesbury | Lithgow | Penrith

# Allied Health Support

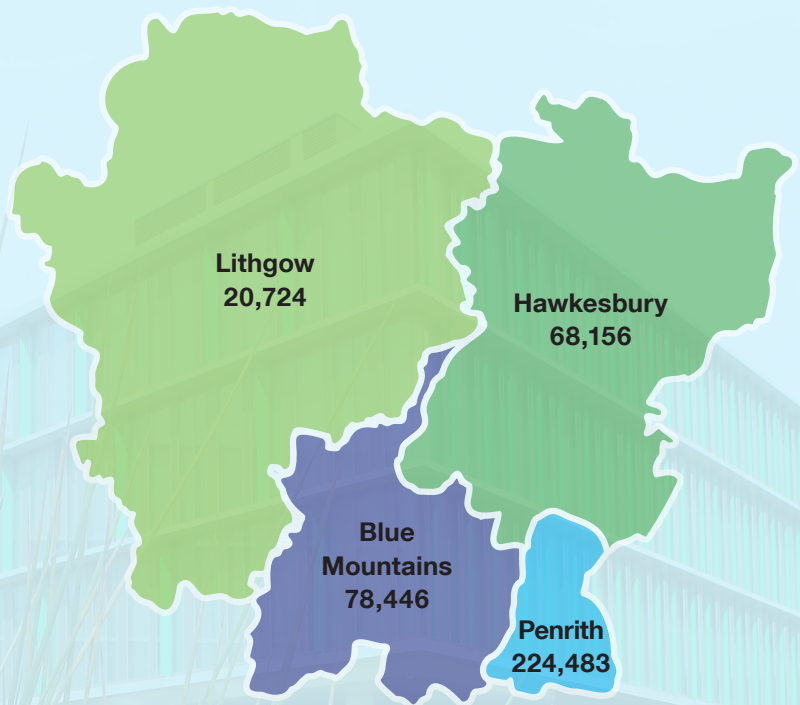

# ABOUT US

Wentworth Healthcare is a local not-for-profit organisation striving to improve the health and wellbeing of people in the Blue Mountains, Hawkesbury, Lithgow and Penrith regions. We are the provider of the Nepean Blue Mountains Primary Health Network (NBMPHN).

# WHAT WE DO

We fund health services to meet the needs of our community. We support primary healthcare providers to deliver high quality patient-centred care and implement models that reflect best practice, and enhance multidisciplinary team care.

**We strive to create a 'one system' approach to healthcare in our region by supporting the integration of care across the primary, hospital, community and social sectors.**

**9,063 km<sup>2</sup>**

**4** local government areas

**391,809+**  
people

## HEALTH SERVICES IN OUR REGION

**86**  
pharmacies

care homes

## ALLIED HEALTH ENGAGEMENT

We provide opportunities for allied health professionals to participate in education and training, network with peers, and support digital health adoption and meaningful use in practice.

We collaborate with peak bodies to align activities that support an integrated patient-centred health system.

### **CPD Education and Training**

Continuing Professional Development (CPD) events, networking opportunities, face-to-face training and webinars. Access to Your Practice Portal.

### **Digital Health**

Guidance on the use of HealthPathways, My Health Record, Provider Connect Australia, secure messaging, telehealth.

### **Health Workforce**

Job vacancies, room rentals, local services orientations.

### **Disaster Management**

Emergency planning tools, business continuity and training resources.

### **Practice Management**

Engagement opportunities to support your business.

### **Quality Improvement**

Tools and resources to support quality improvement activities in your practice.

### **Commissioning**

Funding opportunities for allied health professionals to address identified needs in the community. Examples include: Lungs in Action, Mobile OT service, speech therapists in schools.
