

Residential Aged Care Home Support

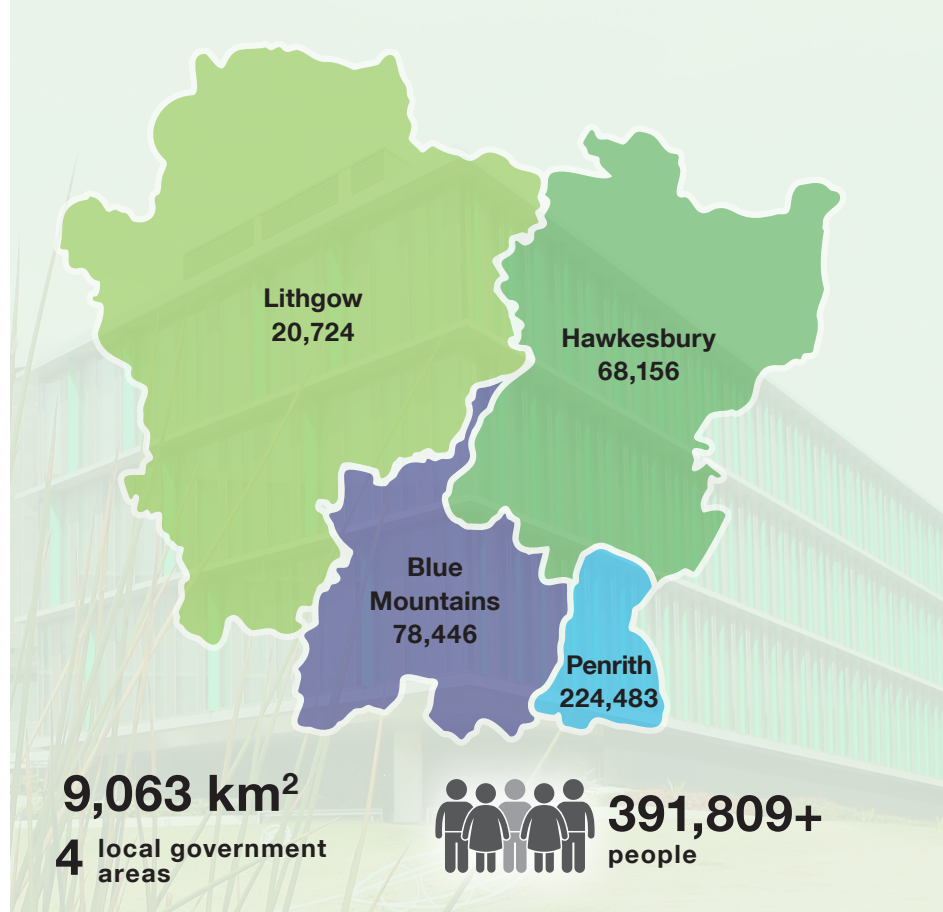

ABOUT US

Wentworth Healthcare is a local not-for-profit organisation striving to improve the health and wellbeing of people in the Blue Mountains, Hawkesbury, Lithgow and Penrith regions. We are the provider of the Nepean Blue Mountains Primary Health Network (NBMPHN).

WHAT WE DO

We fund health services to meet the needs of our community. We support primary healthcare providers to deliver high quality patient-centred care and implement models that reflect best practice, and enhance multidisciplinary team care.

We strive to create a 'one system' approach to healthcare in our region by supporting the integration of care across the primary, hospital, community and social sectors.

HEALTH SERVICES IN OUR REGION

86 pharmacies

29 residential aged care homes

130 general practices

1,672 allied health professionals

4 major hospitals

236 practice nurses

SUPPORT FOR RESIDENTIAL AGED CARE HOMES

We support residential aged care homes by providing access to information and resources covering topics like palliative care, advance care planning and dementia care.

We collaborate with local stakeholders who provide care for residents in aged care homes to support an integrated patient-centred health system.

CPD Education and Training

Continuing Professional Development (CPD) events, networking opportunities, face-to-face training and webinars.

Digital Health

Support the adoption and use of My Health Record, secure messaging and telehealth including advice and training.

Disaster Management

Emergency planning tools, business continuity and training resources.

General Practice

Supporting the engagement of GPs, General Practice Aged Care Incentive and after-hours support.

Mental Health

Wisemind – psychological therapy support for residents with mild to moderate depression and/or anxiety.

Palliative Care

Support to improve access to end of life services available for residents including training opportunities.

Pharmacy Support

Assistance to engage an onsite pharmacist and communities of practice to support the pharmacist.

Immunisation

Access to resources for COVID-19 and influenza vaccination.
